

**The Conference on the Future of Europe –
How could it be used to advance the 2030 Agenda in Europe?**

Webinar, Tuesday 28th September at 10-11 am CEST

Agenda

10.00–10.10 Opening words and welcome

Mr **Rilli Lappalainen**, Director, sustainable development | Fingo
Moderator of the event

10:10–10:25 Key note remarks :

The Conference on the Future of Europe and how could it be used to advance the 2030 Agenda in Europe?

Mr **Mattia de' Grassi**, Member of Vice-President Dubravka Šuica's Cabinet in charge of the Conference on the Future of Europe (TBC)

10:25–10:45 Panel discussion

Ms **Aleksandra Šuster Močnik**, Spokesperson for the Government Office, Republic of Slovenia, for Development and European Cohesion Policy

Ms **Annika Lindblom**, President of European Sustainable Development Network

Mr **Aku Aarva**, Executive Director, European Movement in Finland

Panelists will be requested to present their reactions (max. 3 min per person) to Mr Mattia de' Grassi's presentation. They will be asked to comment, from their point of view, on Agenda 2030, especially in the context of the impact of COVID-19 and the need to 'Build Back Better', and how the Conference on the Future of Europe can ensure a variety of voices is reached for the debate on related challenges and priorities.

The audience will be encouraged to ask questions via the Slido application.

10:45–10:55 Open discussion, questions and answers

A couple of questions from Slido will be selected and presented to the panelists.

10:55–11:00 Closing of the webinar

Mr **Rilli Lappalainen**, Director, sustainable development | Fingo

Fingo is an umbrella organisation working in the areas of development cooperation and global citizenship education and a platform representing 280 Finnish civil society organisations that strive to build a just world for all. As an expert on global development, Fingo brings together hundreds of development NGOs to influence political decision-making, raise awareness and increase citizens' understanding about global development. More information about Fingo's work is available online in its 2021-2024 [strategy](https://fingo.fi) (pdf). <https://fingo.fi>
