

Sustainable lifestyle habits and green skills

Ana Bahat

What does it mean to live sustainably?

Why is it essential
for our future?

ECO SCAVENGER HUNT

Which of these
items are eco-
friendly?

Water bottles made
from glass, plastic
or stainless steel?

Plastic, paper
or cloth bags?

A pair of hands is shown from the front, holding two light bulbs side-by-side. The left hand holds a white, frosted LED light bulb, while the right hand holds a clear, traditional incandescent light bulb. The background is a soft-focus green, suggesting foliage. The text 'LEDs vs. Incandescent Lights' is overlaid in white on the left side of the image. There are also six orange, pill-shaped decorative elements arranged in two groups of three, one above and one below the text.

LEDs vs. Incandescent Lights

Compost Pile

VS

Compost Bin

Recycled or virgin paper?

Any other ideas?

Complete the chart with your
own ideas.

Solar-powered gadgets

e.g. garden lamp, solar
cellphone charger

Eco transport

Reusable lunch
containers

Energy efficient appliances

OVERCONSUMPTION

a brief history of consumption
